MEMBERS OF THE SAN DIEGO DIVISION OF THE ACADEMIC SENATE

SUBJECT: Opportunities to Serve on Academic Senate Committees for 2009-2010

Dear Colleagues:

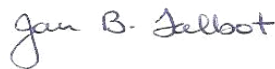

The Committee on Committees solicits your input as we prepare to select members of the Academic Senate to serve on campus committees for the 2009-2010 academic year. Please take a moment to review the duties of the various Senate committees. Indicate your preferences for committee service.

Indicate your committee preferences in any of the following ways:

- Use your UCSD Employee ID number to login at:
<http://www-senate.ucsd.edu/CommitteePreferences/Default.aspx>
Note that this method will allow you to update preferences you entered last year in addition to indicating new preferences.
- Complete an electronic version of the form and return it via email to:
CommitteePreferences@ucsd.edu
- Print, complete, and return the form via campus mail (mail code 0002).
The preference form can be downloaded in PDF format from the Academic Senate home page (<http://www-senate.ucsd.edu>).

Descriptions of Senate committees are accessible at the Academic Senate home page (<http://www-senate.ucsd.edu>).

You should feel free to contact committee members if you would like additional information. We would appreciate hearing from you by **February 17**. Thank you in advance for your help and for your willingness to participate in shared governance.

Jan B. Talbot, Chair (NanoEngineering)
Committee on Committees

Ruth J. Williams, Vice Chair (Mathematics)
Patricia S. Churchland (Philosophy)
