708    REQUIREMENTS FOR THE MASTER OF ENGINEERING (M. ENG) [En 10/26/99]

A)    Admission

  1)    Admission requirements for the M. Eng. are in accordance with the general requirements of the Graduate
         Division of the University of California, San Diego, as specified by the Graduate Council and approved by
         the Dean of Graduate Studies.

  2)    For acceptance, applicants must have an overall GPA of 3.0, and strong letters of recommendation are
         necessary.

  3)    Applicants must submit Graduate Record Exam (GRE) general test scores.

  4)    Test of English as a Foreign Language (TOEFL) scores are required for international students whose
         native language is not English.

B)    Program

      The program requires 48 quarter units of course credit. At least 36 units must be at the graduate level, of which
      20 must be taken at UCSD.

C)    Scholarship

      The 48 units of required course work must be taken for a letter grade (A-F), except for Research (299 courses)
      for which only Satisfactory/Unsatisfactory (S/U) grades are allowed. Courses for which a D or F is received may
      not be counted. Students must maintain a 3.0 grade point average overall.

D)    Residency

      The minimum residence requirement is three academic quarters. Academic residence is met by satisfactory
      completion of at least four units per quarter.

E)    Faculty Advisor

      The program of work shall be under the supervision and subject to the approval of a member of the faculty of the
      department.
