UC SAN DIEGO ACADEMIC SENATE REPRESENTATIVE ASSEMBLY
26 MAY 2015

Brian E. C. Schottlaender
The Audrey Geisel University Librarian

The Library
UC SAN DIEGO

LIBRARY STRATEGIC PLAN, 2015-2018

- **Vision:** The UC San Diego Library is a recognized and valued participant in UCSD's success as a student-centered, research-focused, service-oriented public university.
- **Mission:** The UCSD Library provides information resources, services, and spaces that support the diverse teaching, research, creative endeavors, and public service programs of the UCSD community.
- **Values:** The UCSD Library values responsiveness to users, innovation and creativity, and strong internal and external communication and collaboration. The Library values a workplace that encourages continuous improvement in service provision and quality and that fosters the career development and professional growth of our staff. The UCSD Library is committed to providing spaces that are welcoming to all and that meet the diverse needs of our community.

LIBRARY STRATEGIC PLAN, 2015-2018

- **Goal 1:** Meet the evolving and varied information needs of the UC San Diego community.
[Campus Strategic Plan Goals 1 & 3]
- **Goal 2:** Develop and maintain dynamic and flexible library spaces that support the goals of UC San Diego.
[Campus Strategic Plan Goal 2]
- **Goal 3:** Actively engage in the development and administration of policies and services needed to support the full scholarly communication lifecycle.
[Campus Strategic Plan Goals 3 & 4]
- **Goal 4:** Develop and promote programs and exhibitions that engage broadly with the UC San Diego community.
[Campus Strategic Plan Goal 4]
- **Goal 5:** Continue efforts to ensure that the Library is an agile, flexible, sustainable, and efficient organization that acts strategically and supports creative problem-solving and innovative thinking.
[Campus Strategic Plan Goal 5]
