Requirements for the M.A. and M.S. degrees shall be determined by the departments, subject to approval by the
Graduate Council, and in conformity with the following minimum requirements.

A) Residence and Candidacy
   The minimum residence requirement is three quarters. Residence is established by satisfactory completion of six
   units per quarter, some of which must be at the graduate level. [Am 12/9/14]

B) Language Requirements
   Language requirements, if any, adopted by individual departments shall be administered by the Dean of
   Graduate Studies, as the Graduate Council shall direct.

C) All Master's degree programs must be in conformity with one of the following two plans:
   Plan I. Thesis Plan Credit must be obtained for 36 quarter units distributed as follows: at least 12 units must be in
   graduate courses in the major field, no more than 12 units may be in upperdivision courses, and there must be at
   least 6 research units which lead to a Master's thesis to be approved by a committee of three faculty members
   appointed by the Dean of Graduate Studies. [Am 12/9/14]
   Plan II. Comprehensive Examination Plan Credit must be obtained for 36 quarter units of which at least 14 must
   be in graduate courses in the major field, 10 additional units in graduate courses, and 12 units in graduate or
   upperdivision courses. A comprehensive final examination, designated as a Master's examination, must be passed.

D) Only courses in which the student is assigned grades A, B, C, D, P, or S are counted in satisfaction of the
   requirements for the Master's degree. In addition, a student must maintain a minimum grade point average (GPA)
   of 3.0 in all courses taken after admission to graduate status. This requirement may be waived in special cases
   by the Graduate Council, acting through the Dean of Graduate Studies. [EC 6/4/74]

F) Each Master's program must contain a statement of the maximum number of research units which can be used in
   satisfaction of the Master's requirements under each plan.
