CHAIRS OF SENATE DIVISIONS AND COMMITTEES:

Re: Systemwide Review of Proposed Revisions to Senate Regulation 478 (IGETC)

Dear Colleagues,

I am forwarding for systemwide Senate review the attached revision to Senate Regulation 478 proposed by the Board of Admissions and Relations with Schools (BOARS). The revision creates Intersegmental General Education Transfer Curriculum (IGETC) Area 7 – Ethnic Studies, an additional IGETC subject area that prospective California Community College (CCC) transfers can fulfill by completing an approved ethnic studies course. The revision also aligns UC with new state legislation requiring the California State University to include an Ethnic Studies course in their general education curriculum for a baccalaureate degree.

In addition, to determine whether CCC courses meet UC’s ethnic studies IGETC requirement, UC faculty will need to develop general criteria for Area 7. Attached as information are recommendations for the IGETC Area 7 criteria, developed by an Ethnic Studies Faculty Workgroup and approved by BOARS.

Please submit comments to the Academic Senate office at SenateReview@ucop.edu by November 15, 2021 to allow us to compile and summarize comments for the Academic Council’s November 22 meeting. As always, any committee that considers these matters outside its jurisdiction or charge may decline to comment.

Please do not hesitate to contact me if you have additional questions.

Sincerely,

ACADEMIC COUNCIL**

RE: IGETC Ethnic Studies Proposal and [Senate Regulation 478](#)

Dear Mary,

The Board of Admissions and Relations with Schools (BOARS) has been working with the UC Office of the President Department of Graduate, Undergraduate and Equity Affairs (GUEA) to respond to the new state legislation ([AB 1460 \(Weber\)](#)) requiring the California State University (CSU) to now include an Ethnic Studies course in the General Education curriculum for a baccalaureate degree. Because California Community College (CCC) students transfer to both the CSU and UC, the two institutions have long held a common Intersegmental General Education Transfer Curriculum (IGETC). Given the recent developments, UC must consider changes to IGETC that will meet both the CSU Ethnic Studies graduation requirement and UC academic standards.

To that end, BOARS approved a proposal to create an additional IGETC subject area in collaboration with the CSU: Area 7 – Ethnic Studies. For UC, Area 7 will carry no unique units. Rather, a potential UC transfer student will fulfill this IGETC area by ensuring that one of the required 3 courses in either Area 3-Arts and Humanities or Area 4-Social and Behavioral Sciences is an ethnic studies course. To elaborate on the BOARS proposal, we have convened a UC ethnic studies faculty workgroup to develop criteria for IGETC Ethnic Studies course articulation. The working group is expected to issue recommended criteria to BOARS by June 2021.

However, because the deadline for the CSU to implement their new graduation requirement is Fall 2021, the UC Academic Senate must begin its internal emendation and review processes now. While we await the academic standards from the ethnic studies faculty workgroup, BOARS asks that the Council begin systemwide review of revised language for Senate Regulation 478 (enclosed), which addresses the IGETC subject areas, such that they may both be approved as soon as possible. BOARS urges that these changes be considered sooner rather than later in support of prospective transfer students who would otherwise need to plan differently for UC/CSU transfer due to differing IGETC expectations.

Thank you for your support,

Sincerely,

Eddie Comeaux
BOARS Chair

478. Applicants for admission to the University by transfer can fulfill the lower division Breadth and General Education (B/GE) requirements by completion of the Intersegmental General Education Transfer Curriculum (IGETC) or by fulfilling the specific requirements of the college or school to which the student will apply. The IGETC is incorporated into the Associate Degrees for Transfer specified in Regulation 476.C.2 and is consistent with the transfer pathway specified in Regulation 476.C.3. (En 5 May 88) (Am 3 May 90) (Am 17 June 2009) (Am June 2013)

A. IGETC Course and Unit Requirements (Am June 2013)

All courses used in satisfying IGETC must be accepted for baccalaureate credit at the University, and be of at least 3 semester units or 4 quarter units. The laboratory portion of science courses must be of at least 1 unit. Quarter courses worth 3 units may be used only in the areas of English Composition and Mathematics/Quantitative Reasoning when at least two such courses are part of a sequence. All courses that are part of such a sequence must be completed to satisfy IGETC.

B. IGETC Subject Requirements (Am June 2013)

The minimum number of courses and units in each of the following ~~six~~ seven subject areas constitute the Intersegmental General Education Transfer Curriculum:

1. English Composition. 2 courses: 6 semester units, 8 quarter units. One course must be in English Composition. The second course may also be in English Composition, or in Critical Thinking and Composition. These courses must have English 1A or its equivalent as a prerequisite. Courses designed exclusively for the satisfaction of remedial composition cannot be counted toward fulfillment of the English Composition requirement.
2. Mathematical Concepts and Quantitative Reasoning. 1 course: 3 semester units, 4 quarter units. This course should be in mathematics or statistics, with the exception that courses in the application of statistics to specific disciplines may not be used to fulfill this requirement.
3. Arts and Humanities. 3 courses: 9 semester units, 12 quarter units. At least one of the courses must be completed in the Arts and at least one of the courses must be completed in the Humanities. Courses that are primarily performance or studio art courses cannot be used to fulfill this requirement.
4. Social and Behavioral Sciences. 3 courses: 9 semester units, 12 quarter units. Courses must be from at least two different disciplines.
5. Physical and Biological Sciences. 2 courses: 7 semester units, 9 quarter units. One course must be in a physical science, the other in a biological science, and at least one must include a laboratory.
6. Language Other Than English. Proficiency. This requirement may be fulfilled by completion of two years of a foreign language in high school with a grade of C or better or by equivalent proficiency demonstrated in college courses.
7. Ethnic Studies. 1 course: 3 semester units, 4 quarter units (from among the 3 courses reported for either the Arts and Humanities or the Social and Behavioral Sciences). This requirement is fulfilled by completing one course in this subject area that is also approved in the Arts and Humanities, or also approved in the Social and Behavioral Sciences.

C. Scholarship Requirements (En 12 June 2013)

Only courses in which a grade of C or better has been attained can be used for fulfillment of IGETC. Credit by external exams may satisfy portions of IGETC pattern of courses upon approval of the Board of Admissions and Relations with Schools.

D. University Policy for the IGETC (Am 3 May 90) (Am 25 Feb 99) (Am 11 May 2005) (Am June 2013)

1. Students must have their coursework ~~fulfilling~~ **fulfilling** IGETC certified by the last California Community College they attended for a regular term prior to transfer.
2. If the lower division B/GE requirements are not fully satisfied prior to transfer, the student will be subject to the regulations regarding B/GE lower division requirements of the school or college of the campus to which the student transfers, with the following two exceptions.
 - a. A transfer student accepted into a college or school that recognizes IGETC as satisfying the B/GE requirements may complete a maximum of two courses of IGETC pattern after transfer (i.e., “Partial IGETC Certification”) if all other conditions in Section 478.B are met. Neither of the courses to be completed after transfer may be in English Composition, Critical Thinking, or Mathematics/Quantitative Reasoning (IGETC Areas 1 & 2).
 - b. A transfer student intending to major in science, engineering, or mathematics in a college or school that recognizes IGETC as satisfying the B/GE requirements may complete up to three courses after transfer. The courses to be completed after transfer may consist of at most one in each of Area 3 - Arts & Humanities, Area 4 - Social & Behavioral Science, and Area 6 - Language Other than English.
3. A student who has been approved to complete the IGETC after transfer may take a certified IGETC course in the areas remaining to be completed at any California Community College subject to the UC campus rules regarding concurrent enrollment or, at the option of the UC campus, may take approved substitute courses at that UC campus.
4. The IGETC must be completed within one academic year (two semesters or three quarters plus any summer that might intervene) of the student's transfer to UC.
5. Consistent with SR 414, each college or school retains the right to accept or not accept IGETC as satisfactory completion of its lower division B/GE requirements.

**For BOARS Discussion & Approval:
Recommendations for UC Ethnic Studies Course Criteria for the
Intersegmental General Education Transfer Curriculum (IGETC)**

Prepared by A-G and Transfer Policy Analysis & Coordination

Presented to BOARS, June 4, 2021

Policy question: Given the baseline criteria [recommended by the California State University \(CSU\) Council on Ethnic Studies](#) and [approved by the Academic Senate of the CSU](#), what are the recommended UC criteria to determine the types of ethnic studies courses UC will accept to fulfill the new IGETC ethnic studies requirement proposed by BOARS?

Academic Senate Regulation 478.B ([IGETC Subject Requirements](#))

Ethnic Studies. 1 course: 3 semester units, 4 quarter units (from among the 3 courses reported for either the Arts and Humanities or the Social and Behavioral Sciences). This requirement is fulfilled by completing one course in this subject area that is also approved in the Arts and Humanities, or also approved in the Social and Behavioral Sciences.

Summary

The A-G and Transfer Policy team convened a UC IGETC/Ethnic Studies Faculty Workgroup to discuss the ethnic studies core competencies presented by the CSU and to recommend revisions, as needed, to the criteria for ethnic studies courses that can fulfill UC's IGETC subject requirements.

The proposed revisions aim to:

- Acknowledge five basic competencies, summarized as: 1) Concepts, 2) Knowledge Produced, 3) Intersections, 4) Historical Context, and 5) Engagement
- Address the desired skills for students to gain within each competency
- Clarify references to existing and additional topics in modern critical race/ethnic studies fields
- Expand and be more consistent in the use of descriptive language referring to populations and fields
